

Paper presentation

Kazim Trust invites psychological professionals, mental health practitioners, teachers, parents and students to its 5th International Conference in Pakistan. This year our theme is: "Diffability - A Path toward Progress". With such a growth and wellbeing oriented concept we wish to explore the therapeutic dimensions of ADHD (Attention Deficit/Hyperactivity Disorder), Learning Disabilities and Autism.

The conference will be both theoretical and experiential. Presenters will get a chance to share their work on ADHD, LD and/or Autism and the therapeutic interventions used for such disorders, academic and home - based interventions.

This will be an interactive and enlightening platform allowing experienced professionals, from both Pakistan and abroad, and novice practitioners and teachers to present their work, interact, connect and collaborate.

Apply now to be a part of this conference. Use the following guidelines to guide you through the abstract submission, intervention presentation or poster presentation process. Applications close on **September 30th, 2019**. If you have any query contact us on kazimtrust@gmail.com

Conference aims at:

- Creating awareness related to learning disabilities, Attention-deficit hyperactivity disorder and autism in Pakistani society.
- Enhancing quality living of individuals with neurodevelopment disorders by making professionals aware of the root causes of the disorders.
- Promoting teacher trainings in the relevant field
- Promoting inclusion of individuals with disabilities
- Narrowing the gap between teachers and researchers
- Providing a professional forum for sharing and networking

We are welcoming following forms of presentations:

- Research paper and Therapeutic intervention based experiential session
