

The Kazim Trust Newsletter

Feb 2021 - Apr 2021

- Kazim Trust celebrates Autism Awareness Month
- Kazim Trust participated in P2021 World Autism Summit 2021
- Kazim Trust offers a one-on-one solution for Remedial Education
- Children from Kazim Trust visited the Abu Dhabi Mall
- Group of Play Therapy & Neurotherapy
- One day workshop on Remedial and Inclusive Education

Kazim Trust celebrates Autism Awareness Month

The aim of the month was to educate, raise awareness and create an atmosphere in an inclusive society where individuals with autism live fully through acceptance and acceptance.

We encourage everyone to become advocates and support for people with autism at a community level and beyond.

Kazim Trust celebrates Autism Awareness Month

Kazim Trust participated in P2021 World Autism Summit 2021

Kazim Trust proudly participated in P2021 (Forum of International Intellectual Disability & Dyslexia) from 12-14 March 2021.

Empowered individuals looking for resources & empowerment of persons with different abilities & abilities were the agenda of the virtual conference.

Group of Play Therapy & Neurotherapy

Kazim Trust conducted a 4-week certified course on Play Therapy & Neurotherapy which was led by Dr. Nehalini, our senior Team Lead at Kazim Trust. The information was covered:

- Introduction to neurodevelopmental disorders
- Introduction to play therapy
- Current assessment for children
- Referral assessment through play therapy
- Treatment through play therapy interventions

Dr. Nehalini, Team Lead at Kazim Trust, presenting to the group of participants.

Certificate Distribution

One day workshop on Remedial and Inclusive Education

Kazim Trust successfully conducted a workshop on Remedial and Inclusive Education.

Mr. Jose Shree and Mr. Joseph Shree were the primary speakers of the workshop and conducted practice demonstrations as well as discussed Individualized Education Plans (IEP) and various modification and remedial strategies.

They also explained how to write an IEP for students with disabilities in the classroom.

The topic covered (IEP) includes the importance of remedial and inclusive education.

Mr. Jose Shree (IEP) speaking & explaining children's remedial education.
